

BrainPOP Families

Dear Families,

Good news! Your school has purchased a subscription to BrainPOP, an award-winning provider of cross-curricular digital content including animated movies, learning games, quizzes, and other activities. Your child can even create his or her own movies and coding projects with our easy-to-use tools. Best of all, your family can access these resources from home!

To log in to your child's account, follow these easy steps:

1. Navigate to <https://jr.brainpop.com/>
2. Click **Log In** at the top right of the screen.
3. Enter your child's **Username** and **Password**
(It's the same one they use in school)

A screenshot of the BrainPOP login interface. It features a teal background with a white 'X' in the top right corner. The form includes a 'Username:' label above a white input field, a 'Password:' label above another white input field, and an orange 'LOG IN' button. Below the button is a horizontal line with 'OR' in the center, followed by a 'Sign in with:' label and a button for 'G Suite for Education'. At the bottom, there are links for 'Login help' and 'Subscribe'. Two red arrows point from the right side of the image to the Username and Password input fields.

There are endless ways to engage with BrainPOP and extend your child's learning beyond the classroom!
