

Congratulations! Your child has access to a wonderful world of books through Raz-Kids. Raz-Kids helps students improve their reading skills as they listen to a book read for modeled fluency. Students can earn stars for listening to the story, reading the story independently, and taking interactive quizzes at the end of each book to check for understanding (quizzes only available depending on Level). Students can use the stars they earn to built their robot and raz rocket.

- Step 1: Go to www.kidsa-z.com
- Step 2: Enter or choose the teacher's username
- Step 3: Your child finds his or her name on the class chart
- Step 4: If asked, your child enters his or her password

Remember, the more your child reads, the better reader he or she will become!
